The College of Idaho's Visionary Scholars Program was established in recognition of the rich, 120-year history of academic excellence at the C of I. The Visionary Scholarship is a \$10,000 annual, renewable award that supports tomorrow's best and brightest visionaries as they pursue their passions and prepare for lifelong success at The College of Idaho. We invite you to nominate students who meet the following criteria:

- » 3.0 cumulative GPA through seven semesters of high school
- » Minimum 22 ACT composite score or 1030 SAT score (critical reading and math)
- » Resident of California, Colorado, Hawaii or New England

To compete for a Visionary Scholarship, students must complete an application, be accepted to The College of Idaho and write a 500-word essay describing how attending C of I will help them achieve their vision.

Please visit www.collegeofidaho.edu/admission/visionary to nominate a student.

For more information about The College of Idaho, visit www.collegeofidaho.edu or call our Admission Office at 208.459.5305 or 800.2C.IDAHO.
