

MARCH 2 SUCCESS

U.S. ARMY

ARMY STRONG.®

COLLEGE SUCCESS STARTS HERE

Together with team leader, Sygnetics, and technical support from Innovative Management Concepts, a leader in software development and support, the effort has created an interactive online preparation system that is unparalleled. The system provides a full array of subject specific assessments and remedial courses tailored to the student's educational needs, as well as practice drills and tests.

The March 2 Success system can enhance and refresh your knowledge, to assist you in achieving your educational or career goals.

March 2 Success is an online, self-paced course designed to improve your performance on standardized tests while enhancing your math, science and English skills.

To have a strong future, the U.S. Army provides all its employees with a large selection of educational programs and benefits.

Now the Army is extending that commitment to education to young adults still in school with March 2 Success.

March 2 Success is available 24 hours a day 7 days a week so students can log on at times that are convenient for them. March 2 Success is free. There is no obligation.

CONTENT

March 2 Success provides cutting-edge assessment software and world-class education content in an easy-to-use, self-paced format to accelerate your learning curve for state assessment testing, SAT and ACT practice and preparation. This content was developed by two top e-learning companies: Peterson's, a Nelnet company, and Educational Options.

Educational Options provides state test assessment and remediation courses and a full range of rigorous online courses for grades 7-12. The company's record of success with students at every level is unsurpassed.

Peterson's has been a leading provider of solutions for the education-seeking family for more than 40 years. Its online and print resources help students increase test scores, find a college that fits their educational goals, maximize higher education affordability and explore careers.
